

The District Governor's Challenge!

The 2008-2009 Toastmasters Year is your club's opportunity to shine in the Distinguished Club Program! When club members work together to become a Distinguished Club, a Select Distinguished Club, or a President's Distinguished Club, they are building the club's foundation for a successful future. Clubs, like Members, can *Become Their Best & Reach Their Dreams!*

I encourage every club to work the Distinguished Club Program. In addition to earning a beautiful banner ribbon from Toastmasters International, the district will recognize each club with a prize and recognition at the Awards & Installation Breakfast on August 1, 2009!
